Contents

Introduction … **1**

I **Basic Principles of Immunology … 2**

Overview … **2**
Types of Reactions … 3
Epidemiology and Etiology of Allergic Disease … 5
Prevention of Allergic Diseases … 7

Immune System … **8**
Specific and Nonspecific Defenses … 9
Organs of the Immune System … 11
Cells of the Immune System: Overview … 13
Cells of the Immune System: T Cells … 15
Cells of the Immune System: B Cells … 17
Important Mediators of the Immune System … 19
Skin-associated Lymphoid Tissue (SALT) … 21
Mucosa-associated Lymphoid Tissue (MALT) … 23

Pathophysiology of Allergic Reactions … **24**
Allergic Reactions: Overview … 25
Type I Reaction (Immediate Hypersensitivity) … 27
Typ II and Type III Reactions … 29
Typ IV Reaction I (Delayed-type Hypersensitivity Reaction) (DTHR) … 31
Typ IV Reaction II (DTHR) … 33

Allergens and Types of Reactions … **34**
Allergens and Allergen Groups … 35
Seasonal Allergies I … 37
Seasonal Allergies II … 39
Seasonal Allergies III … 41
Perennial Allergies … 43
Insect Venom Allergy … 45
Allergic Contact Dermatitis … 47
Food Intolerance … 49
Drug Reactions … 51
Risc Factors for Allergy … 53

II Diagnostic Approach to Allergic Diseases … 54

History and Physical Examination … **54**
History … 55
Physical Examination … 57

In vivo Allergy Diagnosis … **58**
Allergy Testing: Overview I … 59
Allergy Testing: Overview II … 61
Allergy Tests: Rub, Scratch, Prick and Intracutaneous Tests … 63
Patch Testing … 65
Tuberculin Test and Multitest … 67
Pressure, Cold, Heat, and Sweat Tests … 69
Subcutaneous and Sting Provocation Tests … 71
Conjunctival and Nasal Provocation Tests … 73
Bronchial Provocation Tests I … 75
Bronchial Provocation Tests II … 77
Gastrointestinal Provocation Tests … 79

In vitro Allergy Diagnosis … **80**
Allergy Diagnosis … 81
Other in vitro Test … 83

III Treatment of Allergic Diseases … 84

Preventive Measures … **84**
Avoidance of Allergens … 85
Diet … 87
Climate Therapy … 89

Immunotherapy … **90**
Specific Immunotherapy I … 91
Specific Immunotherapy II … 93

Principles of Treatment … **94**
Antihistamines … 95
Corticosteroids … 97
Other Medications … 99

Skin Care … **100**
Care of Atopic Skin … 101

IV Allergic Diseases … 102

Allergic Emergencies … **102**
Causes of Allergic Emergencies … 103
Anaphylactic Reactions … 105
Anaphylactic Shock … 107

Allergic Diseases of the Skin … **108**
Skin Structure … 109
Dermatitis I … 111
Dermatitis II … 113
Atopic Dermatitis … 115
Urticaria and Angioedema … 117
Forms of Vasculitis … 119
Drug Reactions … 121
Eosinophilic Disorders … 123

Allergic Diseases of the Ears, Nose, and Throat … **124**
Anatomy and Physiology I … 125
Anatomy and Physiology II … 127
Allergic Rhinitis I … 129
Allergic Rhinitis II … 131
Nasal Polyps … 133
Allergic Diseases of the Pharynx and Larynx … 135

Allergic Diseases of the Lungs … **136**
Anatomy and Physiology … 137
Asthma I … 139
Asthma II … 141
Special Forms of Asthma … 143
Extrinsic Allergic Alveolitis … 145

Allergic Diseases of the Eyes … **146**
Anatomy and Pathophysiology … 147
Allergic Conjunctivitis … 149
Contact Allergy, Lid Edema, Blepharitis, Lid Dermatitis … 151

Allergic Diseases of the Gastrointestinal Tract … **152**
Anatomy and Physiology … 153
Food Allergy and Intolerance … 155
Pernicious Anemia, Celiac Disease … 157
Inflammatory Bowel Diseases … 159
Allergies of the Oral Cavity … 161

Allergic Diseases in Childhood … **162**
Immunological Principles and Nursing … 163
Diagnosis and Therapy in Childhood … 165
Childhood Astma … 167
Atopic Dermatitis … 169
Difficult Diagnoses in Childhood … 171

Allergic Diseases and Immunizations … **172**
Immunizations in Allergic Patients … 173
Allergy and Other Immune Responses … 175

Allergy and Psyche … **176**
Allergy and Psyche I … 177
Allergy and Psyche II … 179

Allergy and Environment … **180**
Environmental Pollutants and Their Risks … 181
Breast Feeding … 183
Interior Air Pollution and Allergies … 185

Allergy and Occupation … **186**
Occupational Allergies of the Skin … 187
Occupational Contact Dermatitis … 189
Occupational Allergies of the Respiratory Tract … 191

V Appendix … 192

Tables … **192**

Common Contact Allergens … **199**

Patient Diary Form … **206**

Glossary … **207**

Sources of Illustrations … **209**

Index … **211**
